活動の様子（写真）
The photograph shows a '交通安全' (Traffic Safety) display board. At the top, there is a framed notice with Japanese text. Below it is a blue label that reads '福井エリア' (Fukui Area). The main part of the board is a green cross-shaped grid. The grid is divided into three sections: a top section with numbers 1-6, a middle section with numbers 7-18, and a bottom section with numbers 19-31. The numbers are arranged in a cross pattern. Below the grid, there is a legend with three colored squares: green for '無事故日' (Accident-free day), yellow for '軽微事故日' (Minor accident day), and red for '人身事故日' (Personal injury accident day). At the bottom, it says '連続無事故日数' (Continuous accident-free days) followed by a blank space for the count, and 'みんなで事故をなくし緑十字を完成させよう。' (Let's all work together to eliminate accidents and complete the green cross).
