Excursion to Los Angeles

We had a whole day excursion to L.A. today. We visited Grauman's Chinese Theater and the Hollywood Walk of Fame. We got very excited at finding famous or favorite movie stars. We had lunch and enjoyed shopping at the farmer's market. We also enjoyed a wonderful view of Hollywood through the bus window. We stayed there for a short period of time but it was lots of fun.

< From Students' Diary >

We went to Hollywood. I saw some Hollywood stars' autographs and handprints. I saw Tom Hanks and Jonny Depp. I could see many things which I couldn't see only on TV in Japan. I felt that I wanted to learned more about Hollywood and talk about today's memory to my family. <from Takefu SHS>

There were a lot of Spiderman in Hollywood!! I found the foot prints of Harrison Ford, Tom Hanks, and Will Smith!! I was so excited today. <from Usui SHS>

Today, we went to Hollywood. I was looking forward to going there, because my mother and I love Michael Jackson. We are big fans of him! I found his handprints. I was excited, and I took a picture of it. I was so happy!! We bought some souvenirs for my family and friends. There were many kinds of superstar goods. <from Jin-ai SHS>
